

"Doing nothing for others is the undoing of ourselves. We must purposely be kind and generous, or we miss the best part of existence. The heart which goes out of itself gets large and full. This is the great secret of the inner life. We do ourselves the most good doing something for others."
 - Horace Mann, American educator

TAKE A SWING

BENT CREEK G.C.

A SISTER'S HOPE

**TAKE A SWING
 AT BREAST CANCER**

MON., MAY 9, 2016

Honor Mother's Day with action and not just flowers. Golf 18 holes on Monday, May 9, to raise significant funding for breast cancer research.

The statistics of breast cancer are scary:

- 1 in 8 women will get the diagnosis
- it is the leading cause of death in the U.S. in women ages 40-55
- every 13 minutes in the U.S., a woman dies from breast cancer

What is more scary than that?

- People not taking action to help researchers find a cure for this beast

every 13 minutes ...

Every 13 minutes, a woman in the United States dies from breast cancer.

That equals **18 women** during a standard **18 holes** of golf. Instead of letting that scare you, let it motivate you to take action.

On May 9, we will honor those women in "Take a Swing at Breast Cancer," a charity golf tournament to raise significant funding for breast cancer research.

Golfer: \$99
Fund Raiser: \$180

(Top fundraisers get great prizes!)

Golfers receive

- Tournament entry
- Welcome drinks/snacks
