**ON SATURDAY, JUNE 27, WE
WILL HOLD THE 7TH EDITION
OF PINK MOON RUN & WALK BIJ
HET MUIDERSLOT. GET
REGISTERED NOW!**

PINK MOON RUN & WALK & 40K RUN/WALK

MUIDERSLOT - The seventh annual "Pink Moon Run & Walk bij het Muiderslot" takes place Saturday, June 27, at the beautiful 12th-century castle in Muiden, The Netherlands. This event offers three distance options: 8 km, 13 km and 18 km. Participants can choose whether to run or walk any of these three distances, with the start and finish all being at the castle, an enchanting location for an evening of fun and philanthropy! Register now and receive your eye-catching Pink Moon shirt.

If you live in The Netherlands and want to help promote the event, join us at 11 a.m. on May 23 at the castle and we will distribute posters and flyers throughout the nearby areas.

40K RUN & WALK - October 3 & 4 marks the annual two-day A Sister's Hope event. This year, participants can choose two days of walking 20 km each day, two days of running 20 km each day, walking all 40 km on

Saturday, or runners can choose to do 20 km on just one day (either day).

The minimum fundraising requirement is 750 euro per person.

Research funding is desperately needed, and in these economic times, it has become even more difficult for researchers to find support. We are asking you to help. Choose to join one of our events and register now!
